Dear Kristy:

Impact...you just made one! Thank you for your generous donation of \$5,000 to Susan G. Komen® Northwest NC. The money you donated will help us save local lives in our 22-county service area.

Due to local fundraising efforts in 2017 we granted \$107,989 to 4 local organizations to help cover expenses for breast health education, mammograms, diagnostics and non-medical treatment services for individuals in our service area. As you may know, our vision is to "eradicate breast cancer", therefore, finding the cures is imperative.

Komen Northwest NC hosts a variety of events and activities throughout the year. Visit our website at komennorthwestnc.org to view our calendar of events. Seventy-five percent of all money we raise stays local.

Together we are making a difference in our local community!

Warmly,
